

## MCC 2.4.1 Release Notes

On 19 August 2023, MilitaryChildCare.com (MCC) was upgraded to include the new features described below.

Enhancement Area	Details
Child Care in Your Home (CCYH) Program Videos	<p>Informational videos will be presented to families highlighting the key components of the Child Care in Your Home (CCYH) program. The system will require the family to acknowledge they have viewed the video. The system displays the initial video when a family request the CCYH program. The video explains that families will:</p> <ul style="list-style-type: none"> <li>▪ Be required to locate their own provider.</li> <li>▪ Become an employer, which has tax implications.</li> <li>▪ Ensure the provider completes all required training and obtains a favorable background check.</li> <li>▪ Agree to quarterly home visits to verify that quality care is being provided.</li> </ul> <p>The system displays the second video when the family receives an offer. The video will provide families with the following information:</p> <ul style="list-style-type: none"> <li>▪ Recap of initial video.</li> <li>▪ Resources for locating a provider (e.g., Sitter City, local Child Care Resource and Referral Agencies) .</li> <li>▪ Required documents for both families and providers.</li> <li>▪ Provider training requirements.</li> <li>▪ Background check details.</li> <li>▪ Home visit details.</li> </ul>
On the Cusp Updates	<p>The ‘On the Cusp’ rules have been modified so infants who are 11 months old will no longer display on the pretoddler Make Offer List and Waitlist. They will show as a pretoddler once they are 12 months of age.</p>
CRWW Email to Program Users	<p>When a Combat Related Wounded Warriar (CRWW) requests care, the system will send a notification to the relevant MCC Coordinators/Backup Coordinators or Fee Assistance Team alerting them to determine if the family should receive Installation Command approval to be prioritized as a CRWW. The email will include the Sponsor’s Name and the Installation(s) and/or MCCYN program(s) where the family placed a request.</p>

## Resolved Known Issues

The following known issues are resolved with the 2.4.1 release.

Defect Number	Summary	User Type	Program Type	Component
68726	User not being active for a long time shows session timeout message as a negative number	Family	MCC	Account Management
68795	Able to cancel a request when a partial offer is made, and the request is active	Family / Program	MCC	Manage Care
68800	Future reconfirm notifications not being sent if offer is removed	Family	MCC	Notifications
69775	CRWW Notifications when the request is not for MCCYN should be sent to program users only and not Fee Assistance users	Program	MCC	Notifications
69965	No results display on step 3 of Find Care when the Make Another Request button is clicked	Family	MCC	Find Care
