

## MCC 2.3 Release Notes – Fee Assistance Registration Changes

On 19 November 2022, MilitaryChildCare.com (MCC) was upgraded to include several new Fee Assistance Registration-related features summarized in the table below.

Enhancement Area	Details
Early Registration End Date (on Program Side for Household and Children)	The Fee Assistance team will be able to set a registration end date on a registration where there are active enrollments for the child(ren). This will create an ‘Early Registration End Date’, which MCC will send to FAMS to populate the enrollment end date.
Registration Dashboard List View Screen Sort	<p>Updated the sort order of the following filters on the registration list view:</p> <ul style="list-style-type: none"> <li>● Submitted – Review Message Registration List               <ul style="list-style-type: none"> <li>○ Registrations with the oldest unread message will be listed first</li> </ul> </li> <li>● Pending – Review Message Registration List               <ul style="list-style-type: none"> <li>○ Registrations with the oldest unread message will be listed first</li> </ul> </li> <li>● Waiting for Family – Submitted Registration List               <ul style="list-style-type: none"> <li>○ Registrations with the oldest submit date will be listed first</li> </ul> </li> <li>● Active – Review Messages Registration List               <ul style="list-style-type: none"> <li>○ Registrations with the oldest unread message will be listed first</li> </ul> </li> <li>● New Cost Worksheet Registration List               <ul style="list-style-type: none"> <li>○ Registrations with the oldest upload date will be listed first</li> </ul> </li> <li>● Active In Renewal – Review Messages Registration List               <ul style="list-style-type: none"> <li>○ Registrations with the oldest unread message will be listed first</li> </ul> </li> </ul>
MCCYN Registration Active - Not Renewing	<p>The status for the registration record will change from a status of ‘Active – In Renewal’ to ‘Active’ when a family answers ‘No’ on the Intent to Renew modal for all children listed on the registration record.</p> <p>When the family answers ‘No’ for all children in the ‘Intent to Renew’ modal, and the registration status is set back to ‘Active’, the registration will update to a status of ‘Ended’ at midnight the day after the registration end date has passed.</p>
Family MCCYN Registration Text Updates	The text within the family view of the MCCYN registration will be updated to add clarity to the family on what they need to do to complete their registration and any documents they need to upload.
