

## MCC 2.2.3 Release Notes - Fee Assistance Registration Changes

On 15 August 2022, MilitaryChildCare.com (MCC) was upgraded to include several new Fee Assistance Registration-related features summarized in the table below.

Enhancement Area	Details
Changes to the Effective Date	The effective date modal will appear for the Fee Assistance team when updating an 'Active – In Renewal' registration, and after adding or removing a revalidation date/reason. MCC will send FAMS the effective date and revalidation date/reason
Dashboard and Navigation Changes	Updated filters on the MCCYN dashboard to include the following: <ul style="list-style-type: none"> <li>• Ensure the 'No Enrollment' card only contains registrations in a status of 'Active' or 'Active – In Renewal' with no enrollments or enrollments in a status of ended.</li> <li>• Ensure that when the Offer for Fee Assistance is Accepted by the user and a child(ren) is added to registrations with a status of 'Active' and submitted, the registration is added to the 'Registration Update' card.</li> </ul>
Display Household Names at the top of the registration record	Display the sponsor, spouse (if applicable), and child(ren) first and last names at the top of the registration record along with the primary email and phone number for the sponsor and spouse (if applicable).
Updates to the MCCYN Provider List	The MCCYN Provider List available to families within the registration record will be dynamically populated with provider information from FAMS.
Updates to MCCYN Notifications	Updated text for the following emails: <p>Reminder: Complete MCCYN Registration</p> <ul style="list-style-type: none"> <li>• Added a reminder to families that if the registration is not completed and submitted, the registration will be cancelled 25 days after the offer was accepted.</li> </ul> <p>Offer Accepted Confirmation</p> <ul style="list-style-type: none"> <li>• Added a list of required documents that Coast Guard, Navy, NRO and ONA families are required to submit to verify sponsor and spouse status</li> </ul>
Increase File Size for Uploaded Documents	Increased the file size limit for documents uploaded in the MCCYN registration to 10 MB.
Correct Autocomplete Rules for MCCYN Offers	For MCCYN Programs where the registrations are managed in MCC (USCG, Navy, NRO and ONA) the offer status will automatically change from 'Accepted – Waiting to be Completed' to either 'Complete – Started' or 'Complete – Did Not Start' when an enrollment is created for the child in FAMS or when a child's registration status is marked as 'Ineligible', 'Abandoned' or 'Ended'.
Fee Assistance Offer Process Report	The 'Fee Assistance Offer Process Report' provides a count and status of fee assistance offers that are in the offer process within a fee assistance program during a selected date range.

## MCC 2.2.3 Release Notes

Enhancement Area	Details
Children in the Fee Assistance Offer Process Report	The 'Children in the Fee Assistance Offer Process Report' provides a list of children with fee assistance offers that are in-process within a fee assistance program during a selected date range. The list of children is reflected in the numbers on the 'Fee Assistance Offer Process Report' when the reports are run for the same date range.

## Resolved Known Issues

The following known issues are resolved with the 2.2.3 release.

Defect Number	Summary	User Type	Program Type	Component	Work Around
62780	<p>Program: New Messages count clears out when user clicks in the message text area. When user navigates away and comes back again, the Message Count number goes back to the original value.</p> <p>Note: New Message Count clears out and retains the zero on the family side.</p>	Program	MCCYN	MCCYN Registration	None
64697	If a family completes and submits an Active – In Renewal registration record, they will still be able to edit all fields since they do not lock.	Family	MCCYN	MCCYN Registration	None
