

Program Release Notes 2.2.1.3

On 31 January 2022 MilitaryChildCare.com (MCC) was upgraded to include enhancements to the Program and Care Option report. These enhancements are summarized in the table below and additional details are provided in the section that follows.

Feature	Description
Program and Care Option Report	The Program and Care Option report has been enhanced to include program profile details, schools served, and school year information for the programs and providers included in the report results. In addition, the user's AOR will not be applied to limit their access to the report (i.e., a user can view the program and care option details for any program or provider).

Program and Care Option Report

The Program and Care Option report has been enhanced to include program profile details, schools served, and school year information for the programs and providers included in the report results.

For each program or FCC provider, the report will include:

- Program profile details (e.g., Branch, Region, Installation, Program Name, Program Profile Status, Program Type(s), Program Operating Days and Hours, Phone Number(s), Email Address, Address, and Signature)
- All care options and care offerings, if applicable, that are in a status of Active or In-Process
- Single list of care options and offerings for the program, a single list of schools served if applicable, and a single list of school years if applicable
 - The list of schools will only display if the program/provider serves one or more schools
 - The list of school years will only display if the program has one or more school years (excludes FCC Programs)

For each FCC Program, the report will include:

- Each FCC provider's name and care options and care offerings, if applicable, that are in a status of Active or In-Process
- Single list of schools served by the FCC providers within the program
